

## NIH MULTIPLE PI CERTIFICATION FORM

NIH requires application organizations to secure and retain written assurances from Principal Investigators prior to submission of applications. When multiple Principal Investigators are proposed in an application, the assurance must be obtained for all named PIs, including PIs from other organizations. Since our responsibility for securing this information starts at the application stage, we ask for your cooperation in completing this form and to include it with your internal routing form (IPR) documents to be submitted to Sponsored Program Services ([SPS@uchc.edu](mailto:SPS@uchc.edu))
